

First time in Europe: Rallycross Fiesta by night!

There will be an extraordinary event organized on **20-21. June 2009.** at the **RabócsiRing (Máriapócs, Hungary):** the finalists of the Central European Rallycross Championship Event will fight late in the night, on the luminous race track!

There had been already twice a drift event organized at the track by night, we already had the opportunity to experience the unique atmosphere and the huge success of the night race show. Come and be part of the first European Rallycross Event by night!
