14.1. QUALIFICATIONS

Qualification of the FIA CE Zone is 130% of the fastest lap time and 3 timed laps.

Qualification of the HC is 130 % of the average of the 3 fastest drivers and 3 timed laps.

Cup races: 130% of the fastest driver and 3 timed laps.

14.2. CLASSIFICATION

Only laps, which have been completed under the cars, own engine power will be taken into account for the classification.

In order to be classified, a car must have covered at least 90% of the distance run by the winner.

The car placed first will be the one having covered the scheduled distance in the shortest time.

All cars will be classified taking into account the number of complete laps they have covered and order in which they crossed the line. If a car takes more than twice the time of the winner's fastest lap to cover its last lap this lap will not be taken into account when calculating the total distance covered by such car. When a race is run in more than one part, the winner is the one who completes the prescribed total distance in the least total time.
