

1st European Motorcycling Senior Activity Conference *"Extending the riding age"*

In the Conference there will be dealt topics particularly relevant, in order to offer to the over 60 riders the opportunity to carry on also many further years of activity, in the best possible conditions.

With this aim, there will be foreseen reports by professionals and experts of the sector on the following themes:

- * **disease prevention and management**
- * **health care promotion**
- * **food and fitness**
- * **mental health**

**1st European
Motorcycling Senior
Activity Meeting**
Touring & Vintage

Salsomaggiore (Parma) ITALY
19-20 May 2012

moto club SALSOMAGGIORE

- Are you a female or male biker next 60 years?
- Do you want still to practice motorcycling for many years?
- Would you like to know how to dispose of body and mind as you wish?
- Have you got a vintage bike or do you practice touring?
- Would you like to share with other European motorcyclists your passion?
- Do you want to spend two unforgettable days?

This is the opportunity for you!

Do not let it go!
