

Start Permission for International Speedway Leagues

Please be advised that hereby grants start permission for Speedway rider:

First name:																				
Surname:																				
Date of Birth, YYYY/MM/DD:							/						/							
Nationality:																				
FMN:																				

To compete for in the following Speedway League:

	Country:		FMN:		Year:	
--	-----------------	--	-------------	--	--------------	--

In addition to the above:

The rider is also granted start permission to compete in other meetings organised with the approval of the above mentioned FMN. Please be aware that an official league meeting take priority over challenge matches and open meetings.

Please note that:

Start Permissions can only be issued for a minimum of one year at the time, it is not allowed for any FMN to enter shorter terms or make any other changes to this start permission document.

The riders own FMNs National Championship as well as FIM and FIM Europe Championship meetings take priority over any league meetings.

In case there is a clash of dates in the approved "International Speedway League Calendar" involving the riders own FMNs League, this fixture takes priority for the relevant rider. The riders FMNs club can agree to release the rider.

In case of a re-scheduled fixture that creates a clash of dates between the riders own FMNs league or any other league the rider competes in, the original date approved in the "International Speedway League Calendar" take priority.

Start Permission can only be withdrawn by the issuing FMN for disciplinary reasons or if the foreign club has been guilty of breach of contract towards the rider.

The rider is insured and licensed in accordance with the FIM Regulations and Codes.

A copy of this start permission must also be sent to the rider concerned.
