

## **Appendix number 1 to the PZM Sanitary Regulations.**

### **Sanitary guidelines of the zone of tribunes for the meetings with participation of the public.**

#### **General principles.**

1. These regulations refer to the competitions of PGE Ekstraliga.
2. For the meetings with participation of the public the common state provisions shall apply concerning the principles of conduct during the pandemics. Irrespective of the principles defined in the Regulations, the final principles of organization of meetings and other speedway events in a special sanitary regime may be specified / corrected by the bodies of public administration.
3. Since 19 June, 2020 there has been provision applicable for making available the speedway stadiums for the fans on the basis of the regulation of the Council of Ministers of 12.06.2020, J. of L. it. 1031.
4. For supporters every fourth place will be made available on the audience, in the rows invariably, in case of no places marked on the audience with the distance kept of 2m, however not more than 50% of the number of the places sitting foreseen for the public reported for PZM within the frames of the review procedure of the facility.
5. The obligation to make every fourth place available, referred to in it. 4, does not refer to:
  - 1) the viewer with the child below 13 year of age;
  - 2) the viewer who participates with the person with the decision of the disability degree, the person with the decision on the need of special education or the person who due to the health condition may not move independently;
  - 3) persons residing or holding household together.
6. The number of the viewers includes the public exclusively. This number does not include any persons holding the function in connection with the meeting, in particular:
  - riders and mechanics, training crews and functional persons;
  - official representatives of the clubs of teams taking part in the meeting;
  - official representatives of the organizer of the games;
  - organization services, medical staff, technical staff;
  - officially accredited journalists, photo reporters;
  - reporters, TV commentators;
  - representatives of the public services, e.g. police, fire brigade;
  - representatives of information and organization services.

#### **Basic organizational principles.**

1. The owner of the facility has the obligation to adjust the provisions of the stadium and internal regulations to the sanitary provisions of the Polski Związek Motorowy.

2. The Organizer sends the Facility Regulations for approval by SE.
3. In order to shorten the control time, limit the contact of information and organization services with the viewers and to avoid the necessity to disinfect the next zones at the stadium it is prohibited to bring hand luggage to the stadium/to the tribunes, as well as make the deposits available.
4. The gates of the stadium will be opened 120 minutes before the meeting at the latest.
5. The Organizer marks the sectors for the fans and entrances to the stadium which are adjusted to the permitted number of persons within the stage. All places must be numbered.
6. It is ordered to create the buffer zones on both sides of the tunnel of the pits with the width of min. 10 m from the border of the zone of the pits, permanently fenced in the manner preventing the public from moving.
7. The zone of the technical park and the zone of the referee tower should be separated from the zone of tribunes so as to prevent the fans from contacting the persons working at the service of the competitions in these zones.
8. The Organizer assures such a number of entrances to the stadium adjusted to 25% of the places sitting of the stadium for the season 2020 so as to allow for the public to enter so that the provisions of the regulations were fulfilled. The entrances to the stadium must be adjusted to the sectors in which the fans purchased the tickets so as to shorten the way of the fans from entering the stadium to occupying the seats.
9. The entrance of a single fan should last about 20 seconds (conducting the activities connected with the control, access to winches, etc.). It allows to preserve the distance between the fans and entering of the fans to the facility with the preservation of sanitary principles and the distance between the fans.
10. The Organizer is responsible for assuring the infrastructure at the entrances – markings and barriers which settle the capacity and assure 2 meter distance between the fans.
11. The club organizing the meeting (organizer) is responsible for marking the places for the fans in sectors at the tribunes with preservation of sanitary regime – takes into account permitted distances between the fans in particular stages and marks the places excluded from the possibility to be occupied by the fans.
12. The Organizer has a possibility to prepare places in family sectors – for the families, who may occupy the places in their direct vicinity taking into account the distance within the sanitary regime in relation to other fans in the stadium.
13. It is prohibited to accept the organized groups of guest supporters.

#### **Sanitary principles of security.**

1. Obligatory wearing gloves and protective masks/visors by all employees of the security and information service.
2. Disinfection or washing vests / uniforms after each meeting is obligatory.

3. Before the commencement of work each employee must undergo testing body temperature. The persons with anxious symptoms including temperature above 38 degrees may not be allowed to fulfill obligations.

### **Tickets for competitions.**

1. The Organizer sends the regulations of selling tickets for approval by SE.
2. In order to avoid gathering of people and to avoid the necessity to disinfect the next zones in the stadium, the electronic sale of tickets is applicable and it is forbidden to sell tickets and souvenirs in ticket offices in the stadium. The selling principles of souvenirs may be changed by the bodies of public administration.
3. The sale of tickets / transferring other documents entitling to participate in the meeting as a viewer takes place exclusively on the basis of conscious and unconditional acceptance of the viewer in the scope of accepting the risk connected with a potential infection of COVID-19 in the stadium during the events organized by the meeting organizer, including on the basis of abandoning any claims in relation to the organizer of the meeting.

### **Sanitary principles.**

1. At the entrance gates to the sectors allocated for the fans, the organizer places the points, in which the disinfectant for hands will be placed. The services responsible for the realization of disinfection are those indicated by the meeting organizer.
2. The obligation to possess the mask by the fan upon entering the stadium until occupying the seat by him and during moving around the facility and in other cases the lack of required distance from other persons – the organizer has the right of control the realization of the requirement.
3. The prohibition to gather of fans in sectors as well as in front of the stadium, including the car parks, in communication tracts and other zones. The organizer does not conduct any activities in front of the stadium, e.g. the fan zone. The Organizer ensures management of space.
4. Catering in place – including gastronomic points – is permitted on the basis of the decision of proper, local sanitary authorities. The mobile sale is allowed in the tribunes with no cash payments. For mobile sale only beverages and foodstuffs packed on industrial basis are allowed exclusively.
5. Maximum number of persons staying in toilets on a single basis shall correspond to the number of toilet cabins in a given set of toilets. The Organizer of the meeting shall be responsible for marking additional mobile toilets in case of no cabin toilets. The hand disinfection is obligatory before each mobile toilet / entrance to cabin toilet.
6. The Organizer ensures extended dispersion of fans in time after the meeting in order to avoid accumulating in permanent places and allow for preserving distance between fans by means of:

- separate sequence of leaving the specific tribunes,
- information of the announcer and organization services on the sequence of leaving the tribunes,
- plan of leaving the stadium will be displayed on the telebeam and published in social media (made available to fans before the meeting).
